A VENEZUELAN ROMANCE.

The Story of General Ybarra and a Fair American.
The Bowen-Loomis controversy and the mention in connection with it of the name of General Alejandro Ybarra, minister of foreign affairs of Venezuela, recalls an interesting romance in the career of the South American warrior and statesman. General Ybarra belongs to an old Spanish family and

GENERAL ALEJANDRO YBARRA.
was born in Caracas in 1848. His ancestors fought in the revolution of 1810 to 1812, by which Venezuela was freed from Spain, and his father was a noted scientist and president of the University of Caracas. The general himself studied at this university and also at the military academy at the Venezuelan capital and has traveled extensively and acquired a knowledge of many languages. He has served in all the grades of the army from sergeant to general in chief. He held an important position in the army in 1878, when the minister to Venezuela from the United States was Judge Thomas Russell of Massachusetts. In the latter's family was a lovely daughter who captured the proud warrior's heart.
Guzman Blanco was then president, and his powers were almost those of an absolute monarch. It chanced that one of Judge Russell's reports angered the dictator, and he ordered Ybarra to break his engagement with the American's daughter or go into exile. Ybarra refused to renounce the beautiful Miss Russell and in an indignant rage broke his sword across his knee in the presence of Blanco and left the country with his bride. They lived for a time in Boston, where General Ybarra taught, lectured, wrote books and conducted a coffee business. On the overthrow of Blanco they returned to Venezuela.

WASHING WITHOUT WATER

Is Like Trying to Get Rid of Dandruff Without Herpicide.

Did you ever see any one trying to wash themselves without soap or water?
If you did what would you say of him?
It is every bit as foolish to try to get rid of dandruff and to prevent Baldness by feeding the germs which cause it, with Cantharides, Vaseline, Glycerine and similar substances which form the principal ingredients of most so-called Hair Vigors.
Newbro's Herpicide is successful because it attacks and kills the parasitic germ which feeds on the hair roots.
It is the original and only genuine scalp germicide manufactured.
Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
Eagle Drug Store, 351-353 Bond St., Owl Drug Store, 549 Com. St., T. F. Laurin, Prop. "Special Agent."

KIDNEY DISEASES CAUSE ONE-THIRD OF THE TOTAL DEATHS.

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the whole system, and the diseases that have resulted from disordered Kidneys disappear, because the cause has been removed. Commence taking FOLEY'S KIDNEY CURE at the first sign of danger. Do not risk having Bright's Disease or Diabetes.

CURED OF BRIGHT'S DISEASE.
Mr. Robert O. Burke, Kinora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked wonders, and before I had taken the third bottle the superfluous flesh had gone, as well as all other symptoms of Kidney trouble. My friends were surprised that I was cured, as they all thought I was going to die. Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefited.

Two Sizes, 50 Cents and \$1.00.
